

Neptune is in Pisces.  
What does that mean?

*That it's time to learn astrology*

Astrology allows you to read and understand the intelligence and beauty of the cosmos as it is expressed through the mystery and story of the personal essence.

Learn to synthesize and interpret your horoscope. Your spouse's. Your child's. Your friend's. *Even Barack Obama's*

# ASTROLOGY

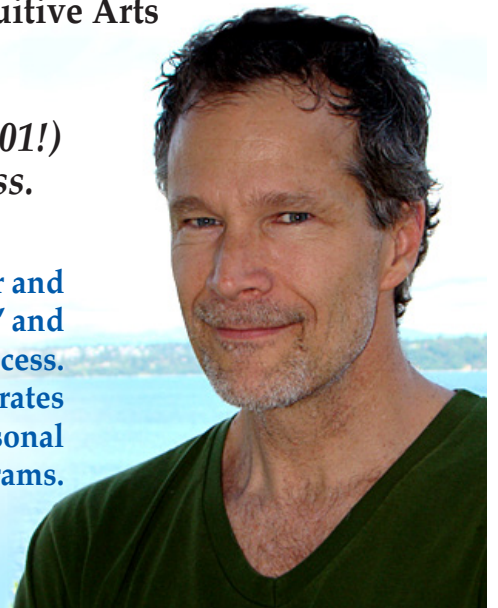

## 101

with **Frederick Woodruff**

A six-week 'living' course beginning Wednesday May 11 at 7:30p.m.  
\$120 (\$110 for V.I.A. members) • Held at Vashon Intuitive Arts

*Everyone is welcome. Astrology is a universal art.  
No previous knowledge required (that's why it's called 101!)  
You'll know how to read a chart after your very first class.*

Frederick Woodruff is an artist, author and 35-year astrological maven. His teaching style is 'three-centered' and engages the student's head, heart and hara in the learning process. He is a longtime student of the Diamond Approach, and integrates this unique understanding of the personal essence into his counseling and teaching programs.
